

### Welcome to the SevaRx Premium Formulary

The SevaRx Premium Formulary is designed to provide access to cost-effective, high-quality medications through a tiered system. Your pharmacy benefits depend on where you obtain your medication and whether it is a generic or brand-name drug.

**Important Notes:**

- Medications are grouped into five tiers based on availability and cost.
- Using the recommended pharmacy options can significantly lower your out-of-pocket costs.

### Preferred Pharmacy Program (Certain States Only)

SevaRx has a Preferred Pharmacy in select states to help you save on prescription costs.

**Preferred Pharmacy States:**

- Alabama
